

# **ANNOUNCING BICYCLE AND PEDESTRIAN SAFETY EDUCATION WORKSHOP- BIKE RODEO**

The Florida Traffic and Bicycle Safety Education Program, in collaboration with the Everglades Bicycle Club presents this Bicycle and Pedestrian Safety Education Workshop.

**When?** Saturday, June 3, 2006  
**Time:** 8:30-3:30 P.M.  
**Where?** Castellow Hammock Park & Nature Center  
22301 S.W. 162 Ave.  
Miami, Fl 33170

## ***Who Should attend?***

Anyone interested in learning to teach children about bicycle and pedestrian safety including:

- Law enforcement community service personnel and school resource officers
- Elementary health and physical education school teachers
- Recreation and youth leaders, after school program leaders
- Safe Kids Coalition and Safety Council representatives
- Interested parents and volunteers

## ***What will participants learn?***

This 8 hour workshop teaches participants how to fit bicycle helmets correctly, bicycle/pedestrian laws and safety tips, defensive walking and bicycling skills, and how to conduct a bicycle rodeo. Participants will ride bicycles to practice the skills they will teach children during rodeos and in other educational settings. We hope these workshops will raise awareness of the need for bicycle and pedestrian safety education, and provide training and materials to those working to educate our youth.

## ***How much does the workshop cost?***

A \$25 registration fee includes 1 set of all materials and videos for the first organization representative. Each additional representative is charged a \$5 registration fee.

## ***What do I need to bring?***

Please bring a bicycle and helmet. If you do not own a bicycle or helmet, they can be provided; please indicate if you'll need a bicycle or helmet when pre-registering.

## ***If interested, what should I do?***

If you are interested in participating in this training please contact:
